Pratt called the meeting to order at 6:30, and the previous meeting's minutes were reviewed by all, and the motion carried for their approval.

2010 Ending Financial statement: Lisa went over the financial statement from 2010. We discussed a few things that worked well last year and some that might not have worked the best. It was decided to table those discussions for a later meeting. She mentioned also that the coaches have the cameras we purchased for them. We will need to find a way to haul the end zone tripod to the games for next season. It was mentioned that the band has a trailer they might be looking to sell.

Code of Ethics: Pratt passed out and asked that we all read and sign this form. We will try to get these to everyone as they come to meetings.

I High: It was mentioned that JP has put together info on purchasing ads for Ihigh. Once I'm sure it's complete, I will send to the entire club

Landscape Rock: - Pratt mentioned this is still something we have available to sell.

Elections for 2011 Officers: - Elections were held and the results were:

President – Pratt Buster

Vice President – Angela Muncy

Vice President – Scot Sodano
